MISSOURI NUMISMATIC SOCIETY
St. Louis, Missouri

Number 2

October Bulletin

1961 - 1962 Fiscal Year

2 October 1961

1. Your Missouri Numismatic Society will hold its 241st meeting next Monday, 9 October 1961, at 8:00 PM, in the Victoria Room of the Claridge Hotel, 18th & Locust, St. Louis, Missouri.
2. We will have as our speaker one of the Society's Charter Members, Eric Newman, who holds MNS Membership No. 4. Those of you who have read the various reports covering the A.N.A. Convention in Atlanta in August, will recognize Mr. Newman as the Numismatic scholar and authority who startled the Numismatic World with the presentation of his supported theory that a true 1804 dollar, as such, has never existed, but is, in fact, the altered 1802 dollar. Mr. Newman will relate to us his experiences at the A.N.A. Convention resulting from this surprising revelation. They are sure to be interesting.
3. As usual, there will be an auction conducted under the prevailing rules of a straight 50¢-per-lot fee, with only Club members participating, and each member being limited to 5 lots. Bourse tables will operate before and after the meeting, and refreshments will be served.
4. A new system of prize drawings will be introduced which is expected to expedite this feature by making available for drawing only the membership numbers of those in attendance. An assortment of prizes should make this feature even more interesting, so come and try your luck!
5. Your secretary is happy to announce that at a meeting of your Board of Directors September 29th, the suggestion of various Club members to extend the dues-payment date was considered and approved, with an extension through the November 13th meeting. Since this extension will have provided members with three opportunities to pay at meetings, it will be assumed that non-paying members as of the November meeting wish to discontinue their memberships. Accordingly, their names will be automatically dropped from the Club roster, with no further receipt of Society bulletins. Your Board of Directors wish to express their thanks and appreciation to those of you who have paid promptly, thereby facilitating the overall Club operation.
6. I should like to thank those members who have been reporting address and telephone number changes promptly. Please, all of you, continue to do so, so that I may better serve you. Failure to report such changes results in a great deal added paperwork and telephoning, oftentimes with unsatisfactory results. Don't forget to either confirm your present telephone number, or to give me your new one when you report your address change.

HOPE TO SEE YOU NEXT MONDAY!

IN MEMORIAM

MNS Members were saddened to learn of the death of another of its faithful members and avid Numismatist, John H. Dettenwanger, who expired in his home at 28 Sunset Court, St. Louis, 4 September 1961, from a heart attack, at the age of 65. Both Mr. & Mrs. Dettenwanger have been members of the Society since September 1956, and John's presence and contagious enthusiasm will be missed by his many Numismatic friends. Our sincere sympathy is extended to Mrs. Dettenwanger and others of the family.
